## Motivating Outcomes

## Technosphere

## Activities

Outcomes				
	Use	ed for specific activities activities supported		
Creation & Maintenance of Technosphere	≫	Material extraction		Material provisioning
		Material processing		Artifacts
	T	Creation & maintenance of artifacts		Buildings &
		Construction & maintenance of buildings & infrastructure		infrastructure
Energy provisioning		Energy extraction & conversion		Energy
	4	Electricity transmission		
Transportation	<b>弁</b>	Surfaces		
		Storage and logistics		
		Pipelines		Human transportation
		Terrestrial Vehicles		Material transportation
	<u>4</u>	Aquatic vessels		
	$\rightarrow$	Aircraft		
Food provisioning	<b>0</b> 6	Food growth & collection		Food growth & collection
		Food processing & preservation		Food processing
	<b></b>	Food preparation		Food preparation
Somatic maintenance	<b>\</b>	Hygiene & grooming		Hygiene & grooming
	Ŷ	Health care		Health care
Inhabited environment maintenance	4	Inhabited environment maintenance		Inhabited environment
	$\bigcirc$	Waste management		Waste management
Information, organization & neural interaction		Information storage, processing and display		
		Information communications infrastructure		Allocation
	Î	Exchange		Schooling & research
		Enforcement		Religious practice
	È	Deliberate neural restructuring		Passive, social & interactive
		Neural stimulus		Active recreation
	$\odot$	Active recreation		
Not activity-specific				
	-			
Ambient context		Ambient structures		
		Furnishings		
		Apparel
