Received and published: 31 August 2017

We thank both reviewers for their valuable feedback which helped to improve the manuscript substantially. We also thank the editor for handling our manuscript.

We provide our final author response and the new version of the manuscript highlighting all changes attached to this comment. Please note that both documents are merged in one file because the web interface only allows to upload a single file as supplement.

Yours sincerely,

Jan Wohland (for all authors)
