

# ***Interactive comment on “A Radiative Convective Model based on constrained Maximum Entropy Production” by Vincent Labarre et al.***

**Vincent Labarre et al.**

vincent.labarre@lsce.ipsl.fr

Received and published: 6 March 2019

Comments to the Editor: Dear Editor,

We would like to ask some supplementary delay to complete some details in the manuscript and to furnish a clear code which reproduces some of the results. Is it possible to postpone the deadline to the 21st March?

Sincerely yours,

Vincent Labarre
