

Interactive comment on “The response of small and shallow lakes to climate change: new insights from hindcast modelling” by Francesco Piccioni et al.

Francesco Piccioni et al.

francesco.piccioni@enpc.fr

Received and published: 21 October 2020

We would like to thank Referee #2 for the interest taken in our work and for the useful comments and for the interesting insights and suggestions, that helped improving our analysis.

Our detailed responses to both the general and specific remarks can be found in the supplement to this document, available through the link at the bottom of this page.

On behalf of all the authors, Francesco Piccioni
