**MESMER-M: an Earth System Model emulator for spatially resolved monthly temperature**

Dear Dr. Messori,

Attached is the final manuscript with the editorial corrections implemented (see L172). We are delighted to be able to introduce MESMER-M through the Earth System Dynamics journal.

Sincerely,

A handwritten signature in blue ink that reads "Shruti Nath". The signature is fluid and cursive, with the first name "Shruti" and the last name "Nath" clearly distinguishable.
